April Calendar

April, 2012

Spring has finally sprung! Wouldn't it be great to go outside and read a book while taking in some long awaited sunshine? Wow! We can't believe this is going to be our last reading calendar for the 2011-12 school year. Let's make this year the best one yet!

April brings rain and out come the flowers. Get out your books and just read for hours. We know you will have a wonderful time. We would love to give out treats for classes getting 100% participation.

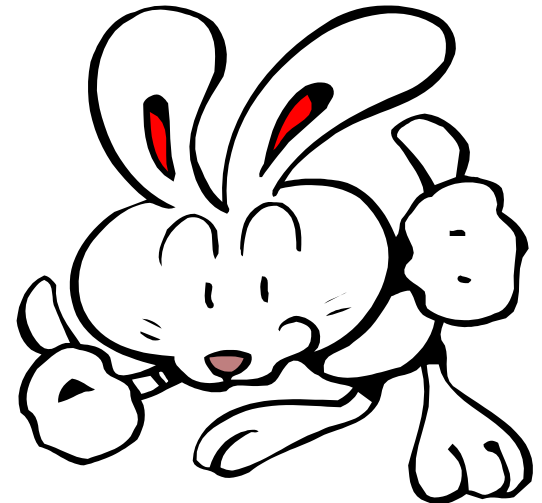

Make sure that if you are in third, fourth, or fifth grade you are writing adjectives that describe what you have read. We look forward to having every student at Frenchtown turn in their final reading calendar for the year.

Happy Spring!
